Whereas we have been pleased to make certain alterations in the regulations for the Medical Service of Our Army, contained in Our Warrant of 1st March, 1873;

Our will and pleasure is that from the date of Our said Warrant, the following rule shall govern the pay of surgeons after 15 years' service, and that the provisions of Article 6 of Our said Warrant shall not be applicable to officers who, before the 1st March, 1873, were entitled to forage in virtue of their several ranks:—

I. The pay of a surgeon after fifteen years' service in that rank shall be seventeen shillings and sixpence a-day.

II. Officers of the Army Medical Department who, prior to 1st March, 1873, were in receipt of forage or forage allowance in virtue of their several ranks, shall continue to receive forage or forage allowance for the number of horses to which they were entitled before that date in accordance with the regulations then in force.

Given at our Court at Balmoral, this 23rd day of October, 1873, in the 37th year of our reign.

By Her Majesty's command,

EDWARD CARDWELL.

Cl. 140.—Military Staff Clerks.

1. With reference to the rates of pay and allowances for Military Staff clerks, contained in Article 16 of the Royal Warrant of the 20th September, 1873, relating to the pay and stoppages from the pay of the non-commissioned officers and men of the Army (Clause 126, Army Circulars, 1873), the rate of 3s. 9d. a-day will be admissible only after three years' service in receipt of 3s. 3d. a-day with a free ration, or of 3s. 6d. a-day without a free ration.

2. In the same manner clerks will be allowed the pay of 4s. 3d. a-day only after three years' service in receipt of 3s. 9d. a-day with a free ration, or of 4s. a day without a free

ARMY CIRCULARS—continued.

ration; and they will be promoted to the rank of quartermaster-serjeant only after three years' service in receipt of 4s. 3d. a-day with a free ration, or of 4s. 6d. a-day without a free ration.

Cl. 141.—Recruits.

1. Recruits raised in recruiting districts, or in any sub-district for service in another brigade, when proceeding to their destination, will not in future be taken into the intermediate payment of accountants on the line of journey, and paymasters of recruiting districts, and sub-districts, will in future forward the "No. 1 Report," showing the date of the last settlement, direct to the regiment or brigade depôt which is the ultimate destination of the recruit.

2. The "No. 1 Report," which will be invariably completed with all the required details, will show the extent to which railway or passage warrants for the conveyance of the recruit have been issued and will be charged in the accounts of the paymaster by whom they are signed; it being understood that no warrant will be issued for any portion of the journey beyond the recruit's next halting place.

3. When the recruit's journey includes passage by steamer, it will be necessary that the "No. 1 Report" should show,—

(a.) Whether the passage is with or without rations.

(b.) If with rations, how many days' stoppages have been deducted.

(c.) If any such stoppage has been made or not.

4. War Office Form 974 will, as heretofore, be sent by post, in advance of the recruit, to his next halting station, and will show such particulars with reference to the date of the last settlement, warrants issued, &c., as may be sufficient to guide the paymaster at such station, in the issue of pay for the day or days of detention, and of warrants for the next stage of the journey.

5. War Office Form 973 will be similarly completed before being handed to the recruit.

6. The paymaster at an intermediate station will issue to the recruit pay and allowances for the day or days of detention, and warrants for his onward journey, forwarding the particulars to the paymaster at the recruit's ultimate destination, and adjusting the transaction with him as an advance as directed in Clause 52, Army Circulars, 1872.

7. By this arrangement, the recruit's pay and allowances up to the date of his leaving, together with the warrant issued for his conveyance on the first stage of his journey, will appear in the pay list of the district or sub-district where he was raised.

8. In the pay list, at the place of his ultimate destination, will appear his pay and allowances from the succeeding date, and any warrants issued for his further conveyance.

9. In the pay list of the intermediate district or brigade depôt the man's name will not appear, nor will any charges be made on his account.

10. The paymasters concerned will take steps to carry out these instructions as early as possible.

11. Paragraph 9 of Clause 41, Army Circulars, 1869, is hereby cancelled.

Cl. 142.—Numbering of Soldiers of the Infantry of the Line.

With reference to Articles 3 and 5, Clause 86, Army Circulars, 1873, it is notified that soldiers who are transferred from one of the two regiments or battalions forming the Line portion of a brigade to the other, will, if designated by regimental or battalion numbers, receive on being transferred, brigade numbers, which will not again be changed during their service within the brigade.

CONTROL SERVICES.**Cl. 143.—Repayment Services.**

1. With reference to paragraph 2, Clause 198, Army Circulars, 1871, all stores issued on repayment for services which are included in Imperial estimates will in future be charged for according to "No. 1 Balance Sheet," or "Contract Prices," contained in the Vocabulary of Stores in use in her Majesty's Service.

2. In all other cases "No. 2 Balance Sheet," or "Contract Prices," will be charged as heretofore, but the repayment vouchers will show two totals:—

(a.) The value of the stores calculated by "No. 2 Balance Sheet," or "Contract Prices," with the addition of the 15 per cent. for increased prices (when necessary), and the departmental expenses. In the case of stores supplied

ARMY CIRCULARS—continued.

for the use of the Indian Government the departmental expenses will not be included, as the percentage being special will be calculated in the War Office.

- (b.) The value of the stores calculated by "No. 1 Balance Sheet," or "Contract Prices," with the addition of the 15 per cent. for increased prices (when necessary), but without the departmental expenses.

The details from which this second total is obtained need not be given.

Cl. 144.—Sales of Military Stores by Auction or Tender.

1. When the quantities of stores authorized to be sold are large and the value considerable, controllers will employ a professional auctioneer to conduct the sales, or will use their discretion in calling for tenders in writing; public notice being given by advertisement, hand-bills, &c., as heretofore.

2. If the stores are few and of small value, controllers will take such steps as may give publicity to the intended sales, without incurring any unnecessary expense; and will cause the stores to be sold in the presence of a control officer or other responsible person, by a barrack sergeant or other departmental subordinate, who will not be allowed any commission or extra pay for this duty.

3. The proceeds of all sales will be immediately credited in the control cash accounts of the station.

Cl. 145.—Kit Bags—Boys on Probation.

1. The canvas bags for boys serving on probation, referred to in General Order No. 105, of 1868, and Clause 133, Army Circulars, 1868, will not in future be supplied in the case of regiments or corps in possession of the valise equipment.

2. The "kit bag" issued as part of the free kit will be available for the purpose for which the canvas bag was originally supplied.

Cl. 146.—Allowance for Repair of Accoutrements.

1. The annual allowance for the repairs of accoutrements, referred to in Clauses 72 of Army Circulars, 1870, and 65 of Army Circulars, 1872, will be granted to brigade depôts, at the rate of one pound per annum for each brigade depôt.

2. This allowance will commence from the date on which the brigade depôt is formed, and the captains of the Line companies composing the brigade depôt will cease to draw any allowance at the regiment or battalion for the repair of accoutrements from that date.

SCHOOL MATERIALS.**Cl. 147.**

1. Officers commanding brigades of Royal Artillery at home will, in future, include in their half-yearly requisitions for school materials, the supplies necessary for the schools of the several batteries forming the brigade.

2. The requisitions will specify the different batteries amongst which the supplies demanded are to be distributed, the quantities to be sent to each station, and the average daily attendance of pupils in the several schools during the last six months.

3. When a battery is relieved at an out-station by another battery of the same brigade, the school materials may be left at the station, with the approval of the officer commanding the brigade; but they will be taken away by the outgoing battery whenever the relieving battery does not belong to the same brigade.

MILITARY BOOKS AND MAPS.**Cl. 148.**

With reference to Clause 137, Army Circulars, 1872, it is notified that the under-mentioned book and map have recently been published:—

Cl. 65.

1. The rates of pay or emoluments granted under the authority of Articles 696 to 698 of the Royal Warrant of 27th December, 1870, to non-commissioned officers actually transferred to the Militia, Yeomanry, or Volunteer Corps, do not apply to non-commissioned officers of Infantry of the Army who are detached for duty with the permanent staff of the Auxiliary Forces belonging to their respective sub-district brigades.

(Issued as a Special Auxiliary and Reserve Forces Circular, on 1st August, 1873.)

1. Doubts having arisen with regard to the interpretation of the Addenda to the Regulations for the Discipline and Payment of the Militia Reserve, with Explanatory Memorandum annexed, dated respectively the 19th May, 1868, and 23rd April, 1869, it is hereby notified as follows:—

(a.) Militia Reserve men enrolled prior to the 21st April, 1873, will, on the com-

- pletion of the first term of their engagement, be granted 1*l*. Militia Reserve Bounty, making a total of 6*l*. for their first term of engagement.
- (b.) The regulation prescribed in para. 1, of Clause 38, Auxiliary and Reserve Forces Circulars, 1873, will be applicable only to Militia Reserve men who enrolled subsequently to the 21st April, 1873.

VOLUNTEERS.**Cl. 72.—Financial Duties of Adjutants.**

1. The adjutant will be required to transmit to the War Office, one month before the expiration of each quarter, an estimate, on the prescribed form, for the pay and allowances of himself and the non-commissioned officers entitled to pay from the public during the ensuing quarter. The sums thus required will be issued to the adjutant monthly by means of drafts on the paymaster-general, and all sums received and expended by him are to be included in his quarterly account.
2. This account is to be completed and forwarded to the War Office within ten days of the expiration of each quarter, on W. O. Form 1595.
3. The adjutant is not to draw any bill upon the paymaster-general upon any other form than that which he may receive from the War Office, and in which the exact sum to be drawn by him will be inserted.
4. Great care is to be exercised in drawing and negotiating government bills, to obviate the possibility of their nonpayment from irregularity or inaccuracies; should any irregularity in drawing government bills entail expense, it will not be allowed as a charge against the public.
5. The adjutant may correspond direct with the War Office on any matters connected with his financial duties; such communications are to be forwarded, in duplicate, both copies being signed, and are to be folded lengthways into two columns, the letter being written on the left column, the right remaining blank.
6. Forms of printed estimates and accounts will be supplied to the adjutant by the War Office upon the receipt of a requisition specifying the number required.
7. Income duty is to be duly deducted from the pay, &c. of the adjutant, or other person not exempt from income duty, and the amount of such deduction is to be credited in the general state, the pay, &c. being charged in full.
8. The requisite particulars of the pay, &c. and of the income duty thereon, are to be properly stated and certified by the adjutant in the War Office Form G., and transmitted to the War Office with the quarterly account.
9. All sums disallowed on the adjutant's accounts are invariably to be credited in the next account rendered to the War Office; and in the event of any sums being subsequently re-allowed, a specific authority will be forwarded to the adjutant to re-charge them.
10. The adjutant is to debit or credit in his quarterly account the balance due by or to him on the account previously rendered.
11. It is to be understood that an item will not necessarily be admitted as a charge in the accounts because the adjutant has included it in his estimate, and that no other charges than those authorized by regulation are to be inserted in the adjutant's accounts without the special authority of the War Office; the specific authority is, in such case, to be furnished in original, as the voucher in support of the charge in the account, together with any other documents in the nature of receipts, &c., which may be requisite.
12. Articles 264 to 267, and 269 to 278, of the Volunteer Regulations, 1863, Volunteer Circular, No. 39, and Clause 30, of Reserve Forces Circulars, 1871, are hereby cancelled.

Cl. 73.—Capitation Allowances, and Travelling Allowance for attending united Drill.*Ordinary Capitation Allowance.*

1. An annual allowance of 1*l*. 10*s*. is granted to Volunteer corps:—
 - (a) For every combatant officer who has attended the drills prescribed for efficient (not being recruits) of his arm of the service.

AUXILIARY, &c. CIRCULARS—continued.

(b) For every non-combatant officer (not being an *honorary* officer) who has given a similar number of attendances; such attendances may include drills of any kind (including the inspection), and gun practice or class firing.

(c) For every trumpeter or bugler borne on the authorized establishment of the corps, who is duly qualified as such, and has attended the drills prescribed for efficient (not being recruits) of his arm of the service.

(d) For every efficient volunteer.

And when not forming part of an Administrative Regiment:—

(e) For every serjeant instructor on the permanent staff.

2. A similar allowance is granted to Administrative regiments:—

(a) For every officer on the staff (when not also belonging to a corps in the regiment) who has given a proper attendance at united drill; or, in the case of an Administrative brigade of Artillery Volunteers which has not had united drill during the year, who has given proper attention to the duties of his appointment.

(b.) For every serjeant instructor on the permanent staff.

Special Capitation Allowance.

3. With a view to giving encouragement to officers and serjeants of volunteers in acquiring a thorough knowledge of their duties, a special additional capitation allowance of 2l. 10s. is granted on account of each officer or serjeant of volunteers, not including the permanent staff, who holds a certificate of proficiency, for every year in which he earns the ordinary capitation allowance of 80s.

4. Field officers of volunteers who have held commissions as field officers and captains, or as subalterns (if they have passed the examination for promotion to the rank of captain), and captains and subalterns who have served, and passed the examination for the rank of lieutenant in a similar arm of the regular forces, may be returned in the list of proficient in the annual return and nominal roll of their corps, without examination. The rank each officer held when in the regular forces will be stated against his name in the return, and if he held only that of a subaltern officer, the fact that he passed his examination as above will be also stated.

5. Quartermasters and medical officers, who have served as such in the regular forces, may similarly be returned as proficient.

6. An officer of volunteers who also holds a commission in the Militia will not be permitted to earn the special capitation allowance of 2l. 10s.

7. In the case of an officer holding a certificate of proficiency, the commanding officer will certify in the annual return and nominal roll that he continues to possess a competent knowledge of the subjects mentioned in the certificate. In the case of a serjeant the adjutant will certify that he has during the year seen him drill, and act as instructor to a company, and has been satisfied with his proficiency.

8. Should such officer or serjeant, however, be found at inspection to be unacquainted with his duty, the inspecting officer will notice the fact in his confidential report, and the officer or serjeant will be disqualified from earning the special capitation allowance until he shall have again been examined and obtained a fresh certificate of proficiency.

Travelling Allowance for attending united Drill.

9. An annual allowance of 5s. is granted to an Administrative regiment for every officer who has earned capitation allowances, and for every efficient volunteer, of every corps of which the head-quarters are at a greater distance than five miles from the head-quarters of the regiment, to cover the expense of attendance at united drill.

10. These allowances will form a fund distributable at the discretion of the commanding officer of the Administrative regiment, to meet the travelling expenses incurred by attendance at united drill.

11. A similar allowance will be granted to a corps of the strength of a regiment, brigade, or battalion, and not forming part of an Administrative regiment, which has one or more troops, batteries, or companies of which the regular places of assembly for drill are at a greater distance than five miles from the head-quarters of the corps, on account of the troops, batteries, or companies thus situated.

12. In claiming travelling allowance under paragraphs 9 and 11 the commanding officer and adjutant will furnish a certificate showing that the corps, or troops, batteries or companies in question attended united drill during the year, and in the latter case will also certify as to the respective distances, and the number of efficient in each such troop, battery, or company.

AUXILIARY, &c. CIRCULARS—continued.

Issue of Capitation Allowance and Travelling Allowance for attending united Drill.

13. The issue in each financial year of the capitation and travelling allowances will be based upon the number of efficient shown in the annual returns and nominal rolls of efficient and non-efficient rendered on the 1st November in the preceding year.

14. Forms of claims for these allowances will be rendered with the annual returns on the 1st November in each year, on W. O. Forms 1600 and 1601.

15. Issues will be made by means of drafts on the paymaster-general as soon after the 1st April as possible.

16. In Administrative regiments the capitation allowances for the staff, and the travelling allowances for the regiment, will be issued to the commanding officer.

17. Issues of allowances due to corps will be made to the commanding officer jointly with three members of a finance committee appointed, under rules which have been approved by her Majesty for the corps, to aid the commanding officer in the management of its finances.

18. The form of claim (W. O. Form 1600) will accordingly contain a statement:—

(a.) That rules have been approved by her Majesty for the corps (giving the date of the War Office letter notifying her Majesty's approval).

(b.) That such rules contain provisions for the appointment of a finance committee consisting of not less than three members besides the commanding officer.

(c.) That the provisions for the appointment of a finance committee have been strictly carried out.

(d.) That three members of such committee (giving their names) have been selected by the commanding officer to receive jointly with him issues of capitation allowances, &c.

19. When no provision for the appointment of a finance committee has been made in rules approved by her Majesty for a corps, the commanding officer will submit to a general meeting of the corps a rule providing for the appointment of a finance committee, consisting of not less than three members besides the commanding officer. After the rule has been passed at the general meeting, the commanding officer will forward it (in duplicate) to the Under Secretary of State, War Office, for her Majesty's approval. In the case of an Administrative regiment, the rule will be sent through the officer commanding the regiment.

20. The rule must state what persons are eligible to be members of the committee, and whether the members are to be appointed by the commanding officer or elected by the corps; also the number of persons of whom the committee is to consist, and how many are to form a quorum.

21. If between the 1st November and 1st April any one of the three members referred to in section (d), paragraph 18, shall have ceased to be a member of the finance committee, the commanding officer will report the fact to the Under Secretary of State, War Office, at the same time substituting the name of another member of such committee.

22. No account of the expenditure of the foregoing allowances will be required to be rendered to this office.

23. Articles 259 to 262 of the Volunteer Regulations, 1863, Volunteer Circular, No. 35, Clause 29 of Auxiliary and Reserve Forces Circulars, 1872, and Clauses 11 and 39 of Auxiliary and Reserve Forces Circulars, 1873, are hereby cancelled.

Cl. 74.—Certificates of Efficiency, and Annual Returns of Efficient and Non-Efficient.

1. A volunteer, in order to obtain a certificate of efficiency, must fulfil the conditions prescribed in Her Majesty's Order in Council, dated 27th July, 1863, as amended by the Order in Council, dated 15th October, 1872 (given in pages 18 to 21 of the Appendix).

2. The courses of instruction for Engineer Volunteers, referred to in paragraphs (g) and (h), Clause 2, of the Scheme annexed to Her Majesty's Order in Council, dated 15th October, 1872, are given at pages 22 and 23, and the revised forms of certificates of efficiency are given at pages 24 to 28 of the Appendix.*

3. Where it can be proved to the satisfaction of the Secretary of State that, from the circumstances of locality, it is not possible for the members of a Rifle Volunteer corps to fire 5 rounds of blank ammunition in a squad of 5 files or upwards, the issue of the capitation grant will not be withheld provided such members, otherwise qualified for

AUXILIARY, &c. CIRCULARS—continued.

efficiency, have fired the same number of rounds in squads of not less than 2 files; but such members must be returned as non-efficient in the annual return and nominal roll, and a special list of their names, accompanied by the War Office authority for claiming capitulation allowances on their account must be annexed.

4. In order that a rifle volunteer may become efficient, so far as target practice is concerned, by firing 20 or 40 rounds only and passing into the 2nd class, a classification will be made after firing the first period, instead of postponing it till after the second, as prescribed in paragraphs 39 to 42, pages 207 and 208 of the Rifle Exercises and Musketry Instruction, 1870. Any volunteer who fails to make 36 points in the first period may repeat his practice in the 3rd class.

5. Commanding officers and adjutants are reminded that only volunteers to whom certificates of efficiency have been granted, and officers qualified under paragraph 1 of the preceding clause, can be returned in the list of efficient in the annual return.

6. Although a mounted rifle, or rifle, volunteer wishing to obtain exemption in future from the requirement of ball practice, must, in earning the volunteer marksman's badge, fire the whole of his 60 rounds under the *personal superintendence* of the adjutant (or other officer appointed by the Secretary of State to act as such), such badge *not carrying the above exemption* may be obtained as heretofore, under the superintendence of an officer or sergeant instructor of an Administrative regiment or corps.

7. Honorary officers appointed under former regulations cannot, as such, earn capitulation allowances, but they may be enrolled as privates, and be so borne, as well as in their capacities as honorary officers, on the rolls of their respective corps, and in such case may be returned as efficient, on complying with the requirements of the certificate of efficiency. A note, however, to the effect that these officers have thus rendered themselves efficient must be appended, in each case, to the annual return and nominal roll. Should the corps to which the officer belongs be called out for actual service, he would be, in such a case, liable to serve with his corps as a private.

8. Bandsmen must qualify for certificates of efficiency, according to the conditions of Her Majesty's Order in Council, dated 27th July, 1863, as amended by that dated 15th October, 1872, for members generally. Their attendance, as *bandmen*, at a brigade or battalion drill, may be counted as attendance amongst the battalion drills required; but it is to be understood that only three bandsmen per company of those companies actually on parade, should be allowed to count such attendance.

9. Particular attention is drawn to para. 2 of Clause 33, Auxiliary and Reserve Forces Circulars, 1872, in regard to the enrolment of supernumeraries. Capitulation allowances will be refused where supernumerary members, enrolled without authority, are returned as efficient.

10. The summary at the end of the nominal roll should correspond with the abstract of numbers given in the annual return of efficient, non-efficient, and total enrolled.

11. Great inconvenience to the public service is caused by commanding officers failing to render these returns punctually. It is therefore particularly requested that they may be rendered to this office on, or as soon as possible after, the 1st of November. In cases where returns have not been rendered in proper time, the Secretary of State will have to consider the propriety of withholding such capitulation grant as the corps may have earned during the year.

12. When the annual return has been checked at the War Office by the nominal roll, the latter will be forwarded to the clerk of Lieutenancy, to be by him retained for the information of the lord lieutenant.

13. Officers of the staff of Administrative regiments who also hold commissions in corps forming part of such regiments, should (except in the case of surgeons or assistant surgeons on the staff holding commissions as *honorary assistant surgeons* of corps) be included in the annual returns of their corps, and not in those of the staff.

14. The staff returns (W. O. Form 654) should contain the names of all officers of the staff, with the exception of honorary officers, and of those officers above referred to who hold substantive commissions in any of the corps composing the Administrative regiment. The sergeant instructors on the permanent staff should also be included, but the returns should not include any non-commissioned officers of Royal Artillery, Royal Engineers, or Militia, attached as drill instructors.

15. Commanding officers are particularly requested, in order to prevent confusion, to return at once to the local control stores all copies of the old forms (W. O. Forms 654, 1619 and 1631) at present in their possession. Adjutants will take care that the returns are duly rendered on the revised forms which will be sent from the War Office.

AUXILIARY, &c. CIRCULARS—continued.

16. Volunteer Circular No. 40; the Memorandum relative to Annual Returns, dated 1st November, 1869; Clause 26 of Reserve Forces Circulars, 1870; Clause 64 of Auxiliary and Reserve Forces Circulars, 1872; and Clause 8, Auxiliary and Reserve Forces Circulars, 1873, are hereby cancelled.

Cl. 75.—Examination of Snider Arms.

(Issued as a Special Auxiliary and Reserve Forces Circular, on 6th September, 1873.)

1. The re-examination of a portion of the Snider arms (both long and short) in possession of Volunteer corps, which were examined in the year 1871, will, with reference to par. 5, Clause 68, Auxiliary and Reserve Forces Circulars, 1872, commence after the 1st October.

2. The arms to be re-examined will be those issued to the Administrative battalions and corps named in the list contained in Clause 25, Auxiliary and Reserve Forces Circulars, 1870, down to the 1st Administrative battalion, Notts Rifle Volunteers.

3. The arms of the following Engineer Volunteer corps will also be examined, viz. :—

| | |
|--------------------|------------------------|
| 1st Northampton. | 1st Durham. |
| 2nd Tower Hamlets. | 2nd Gloucester. |
| 1st West York. | 1st Newcastle-on-Tyne. |
| 1st Cheshire. | 1st Somerset. |
| 1st London. | |

4. The commanding officers concerned will proceed in accordance with the instructions contained in paragraphs 4 and 5, Clause 5, Auxiliary and Reserve Forces Circulars, 1872, and their special attention is called to paragraph 2, Clause 45, Auxiliary and Reserve Forces Circulars, 1872, which provides that unless the whole of the Snider arms in possession of corps are sent in for examination complete, the deficient arm or arms will be considered as lost by the corps and the value claimed.

Cl. 76.—Equipment Accounts.

1. Officers commanding Administrative regiments of Volunteers will in future account directly with the War Office for the stores in their charge, and will be responsible for the equipment of the battalions or brigades under their command, in the same way as officers in command of regiments of the regular forces.

2. All demands will accordingly be made by the commanding officer, who will state to what corps respectively the articles are to be sent, and although the stores will be forwarded direct to such corps, the vouchers representing the supply will be sent to the officer commanding the Administrative regiment.

3. As soon as practicable the controller, Royal Arsenal, will supply, through the district controllers, to each officer commanding an Administrative regiment, a consolidated statement showing the arms and stores in possession of each corps, on the 31st December, 1872; the totals of such account will be the first charge against the officer commanding, who will open a ledger (W. O. B. 110) recording the same, and will post the transactions that take place in it as they occur.

4. The pecuniary liability of the commanding officer will not be affected by this arrangement, since he will keep a simple record with the several corps, officers in command of which will be responsible to him for the proper custody and preservation of the arms and stores entrusted to their care, and will, as heretofore, be liable to make good any loss by damage or deficiencies.

5. Corps of Volunteers, not forming part of an Administrative regiment, will account, as heretofore, to the controller of the district on whom they are dependent for their supplies, in accordance with paras. 10 and 11, Clause 2, Auxiliary and Reserve Forces Circulars, 1872.

6. In all cases copies of the accounts rendered, and of the vouchers connected therewith, will be kept by the accountants.

7. Forms of account are annexed (pages 29 to 40 of the Appendix), which will be substituted (so far as the Volunteer Force is concerned) for those referred to in Clause 2 of Auxiliary and Reserve Forces Circulars, 1872. The compiled statements referred to in paras. 4, 6, 7, of that clause, will be abolished, and each voucher will be posted in the ledger from time to time as stores are received, issued, or expended.

8. It will be the duty of the adjutant to keep the above accounts under the orders of his commanding officer.

AUXILIARY, &c. CIRCULARS—continued.

CL. 77.—Stationery Allowance.

1. The stationery allowance for Administrative regiments of Volunteers will, in accordance with representations received from officers commanding regiments, be distributed in future as follows:—

| | For each Troop, Battery, or Company. | For each Division, or Sub-Division. |
|--|--|---|
| | £ s. d. | £ s. d. |
| To the Field Officer Commanding the Administrative Regiment will be given | 2 10 0 | 1 5 0 |
| To the Corps... .. | 1 10 0 | 0 15 0 |

2. The claims for stationery allowance will be made on W. O. Forms 1600 and 1601, rendered at the date of the annual return, and the amounts payable will be issued as soon after the 1st April as possible.

3. Paragraph 2 of Clause 42, Auxiliary and Reserve Forces Circulars, 1872, is hereby cancelled.

YEOMANRY.**CL. 78.—Officers attached to Cavalry Regiments.**

1. Officers of Yeomanry Cavalry, not above the rank of captain, who may be attached to regiments of the Regular Cavalry in the United Kingdom, for the purpose of instruction, under the provisions contained in Clause 26, Auxiliary and Reserve Forces Circulars, 1871, will be allowed travelling expenses from and to their place of residence, provided that the Cavalry regiment to which they are attached is that nearest to their residence, and that they obtain the certificate of qualification required by § 2 of the clause hereinbefore mentioned.

2. No expenses for the conveyance of horse or servant will, however, be admitted.

W. O. FORMS.**CL. 79.**

Militia.—The "Certificate to be granted to a Lieutenant of Militia who has been nominated by his Commanding Officer for a Commission in the Regular Forces," printed as an Appendix to Clause 31 (page 30), Auxiliary and Reserve Forces Circulars, 1873, has now been numbered as W. O. Form 1672, and a distribution made to officers commanding brigade sub-districts.

APPENDIX TO CLAUSE 74.**ORDER IN COUNCIL.**

At the Court at Balmoral, the 15th day of October, 1872,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the eleventh section of the Volunteer Act, 1863, it is, amongst other things, enacted, that "Her Majesty in council may from time to time declare what is requisite to entitle a volunteer to be deemed an efficient volunteer, by an order in council defining for that purpose the extent of attendance at drill to be given by the volunteer, and the course of instruction to be gone through by him, and the degree of proficiency in drill and instruction to be attained by him and his corps, such proficiency to be judged of by the inspecting officer at the annual inspection of the corps, or otherwise, as by order in council is from time to time directed;" and that "the draft of any scheme to be from time to time submitted to Her Majesty in council for approval under

AUXILIARY, &c. CIRCULARS (APPENDIX)—continued.

the present section, shall have been laid before both houses of parliament for one lunar month at least, either before or after, or partly before and partly after, the passing of this act, during the present, or for the like period during any subsequent, session of parliament, before such scheme receives the approval of Her Majesty in council."

And whereas by an order in council bearing date the 27th day of July, 1863, what was requisite to entitle a volunteer to be deemed an efficient volunteer was declared, which order it is deemed expedient to amend in manner hereafter mentioned.

And whereas a draft scheme of amendments relative to the efficiency of volunteers, as set forth in the said order in council, was on the 18th June last laid before both houses of parliament in the words and figures mentioned and set forth in the schedule to this order annexed; and one lunar month having elapsed since that time, the said scheme hath this day been submitted to Her Majesty in council for her approval thereof.

Now therefore Her Majesty, having this day taken the said scheme into consideration, doth in pursuance and exercise of the power in Her Majesty by the said act of parliament in that behalf vested, and by and with the advice of her privy council, hereby declare her royal approval of the said scheme.

And that the same shall come into operation on the 1st of November next, but so that the drills of November, 1871, and November, 1872, shall be reckoned, if need be, to complete the number of drills needed for the efficiency of a volunteer for the year ending 31st October, 1872; but if the drills of November, 1872, be so reckoned, then they shall not be again reckoned for the year ending 31st October, 1873.

EDMUND HARRISON.

SCHEME of AMENDMENTS relative to the Efficiency of Volunteers as set forth in Her Majesty's Order in Council, dated 27th July, 1863, referred to in this Order.

1. The certificates of efficiency granted to enrolled members of the Volunteer Force hereafter, shall be dated the 1st November in each year. They shall be granted on the previous submission of the adjutant, and be signed, in case of difference of opinion between that officer and the commanding officer of the corps, by the officer appointed by one of Her Majesty's Principal Secretaries of State to act on that behalf, in lieu of the Assistant Inspector of Volunteers as heretofore provided. If no adjutant be appointed to, or acting for a corps, the certificate shall be granted and signed as the Secretary of State may direct.

2. In order that the efficiency of the volunteers may be increased, the certificates shall, in addition to, or in substitution for, the requirements prescribed by the former Order in Council, state—

(1) As to all the Corps:

- (a) That the volunteer does not belong to the Regular, Militia, Yeomanry, or Army Reserve (including Enrolled Pensioner) Forces; and that he is not enrolled in any other Volunteer corps.
- (b) That the volunteer was a member of the corps at the date of the certificate.
- (c) That, if absent from inspection with leave of the commanding officer, or through sickness duly certified, he has attended two extra drills.
- (d) That each drill is of not less than one hour's duration.

Attendance at a brigade drill may be counted as a drill towards efficiency, but attendance at a review must not be so reckoned.

(2) As to Light Horse:

- (e) That the volunteer is in all respects acquainted with his duties as a Light Horse Volunteer, and that he has attended such a number of drills, as under the regulations heretofore in force would entitle him to an extra certificate of efficiency.

(3) As to Artillery Volunteer Corps:

- (f) That the volunteer has been instructed in the use of guns, if the means of instruction have been available.

(4) As to Engineer Volunteer Corps:

- (g) That he has gone through the course of instruction prescribed for a recruit in regulations issued by one of Her Majesty's Principal Secretaries of State.

AUXILIARY, &c. CIRCULARS (APPENDIX)—*continued*.

- (h) That he has attended six engineering drills and acquired a practical knowledge of one of the annual courses of instruction prescribed for Engineer Volunteers in regulations issued by one of Her Majesty's Principal Secretaries of State.
- (i) That he was present (unless absent with the commanding officer's leave, or through sickness duly certified) at the last annual inspections (drill and engineering) of the corps.
- (5) As to a Mounted Rifle Volunteer :
 - (j) That he fired 20 rounds of ball cartridge in the first period of class firing, in accordance with the musketry regulations for the Army.

Or,
 That on the 18th, he completed the three periods of class firing under the personal superintendence of the adjutant or other officer appointed under the Secretary of State's authority to act as such, and obtained the number of points to qualify him (so far as target practice is concerned) as a marksman under the musketry regulations for the Army, and in either case that he has attended such a number of drills, as under the regulations heretofore in force would entitle him to an extra certificate of efficiency.

- (6) As to Rifle Volunteer Corps :
 - (k) That he fired 60 rounds of ball cartridge in class firing during the year; or fired 20 or 40 rounds, and passed into the 2nd class.

Or,
 That on the 18th, he completed the three periods of class firing under the personal superintendence of the adjutant or other officer appointed by the Secretary of State to act as such, and obtained the number of points to qualify him (so far as target practice is concerned) as a marksman under the musketry regulations for the Army.

- (l) That he fired five rounds of blank ammunition in volley firing and five rounds in independent firing during the year in a squad of not less than five files.
- (m) That he attended nine company and battalion drills during the year, of which at least three shall have been battalion drills.

This is in substitution of the rule which required attendance, in the case of an Administrative regiment at three battalion and six company drills, and in that of a large corps, at six battalion and three company drills.

- (n) To constitute a battalion drill reckoning towards efficiency, 100 at least of all ranks (exclusive of permanent staff and band) must be present, of whom not less than 16 must be officers and sergeants.

To constitute a company drill reckoning towards efficiency, 20 at least of all ranks (exclusive of permanent staff and band) must be present, of whom not less than three must be officers and sergeants.

8. The inspecting officer at the annual inspection may direct the withholding of a certificate for or in respect of any volunteer whose sword, carbine or rifle may, in the opinion of such officer, be in bad order and condition, and all certificates shall be withheld by order of the Secretary of State from all efficient belonging to a Volunteer corps not inspected during the year by reason of its own default.

4. If any regiment or corps shall have in any year attended for not less than four clear days at a camp of instruction, not including the days of assembly and return, one of Her Majesty's Principal Secretaries of State may make such modifications in respect to the qualification for efficiency of the members of such regiment or corps as may appear to him to be desirable to meet the circumstances of the case.

5. If in any one year a volunteer is resident during the drill season of his corps at a greater distance than ten miles from its head-quarters, he may (with the written consent of both commanding officers) be attached for drill purposes to another corps. In such case, all his drills for efficiency (including attendance at inspection) must be performed with that corps, but he must wear the uniform of his own corps.

6. The term "recruit" used upon the forms of certificate means a volunteer who has not served for at least six months in Her Majesty's Regular Forces, or served and attended training in a regiment of Militia, or who has never been returned as efficient in an Annual Return of a Volunteer Corps.

G.O. 72.—H.M. Indian Troop Ships.

I. The following regulations as to baggage, &c., extracted chiefly from the "Regulations for H.M. Indian Troop Ships," are to be observed by all officers embarking in those vessels, whether proceeding alone or in charge of troops:—

Baggage.

1. No baggage in excess of the regulated allowance, either by cubic measurement or weight, is to be taken with the troops.

2. Every chest, trunk, bale or other article of public baggage belonging to the regimental store, orderly room, band, officers' mess, or the hospital, is to be distinctly numbered and marked *with paint*: and all articles of baggage belonging to individuals are to have the names and ranks of the owners and the regiment to which they belong legibly *painted* on them.

3. The heavy baggage intended for the baggage room should be labelled, in large letters on a *white* ground, "baggage room." This baggage cannot be got at during the whole of the voyage.

4. Baggage intended for present use baggage room should be marked on a *green* ground, "present use baggage room," and can be got at every day between 11 A.M. and noon. This baggage room is intended only for ladies' baggage.

GEN. ORDERS—continued.

5. Each officer or lady will be allowed two medium sized portmanteaus as cabin baggage which should be marked on a *yellow* ground, "cabin." Regulation size for trunks, &c., 36 inches long, 15 inches wide, 14 inches deep.

6. It is recommended to all officers and ladies on the *outward voyage* to have their light clothing for use in the Red Sea, and on the *homeward voyage* their thick clothing, packed in separate boxes labelled with a *blue* label "change of clothing required at Suez, baggage room," these boxes will be stowed near the door of the baggage room, and will be got up soon after leaving Suez or Port Said.

7. Printed labels can be obtained from the Quartermaster General's Office at Portsmouth, Cork or Bombay, or from the head quarters of each military district in Great Britain and Ireland. They should be attached to the packages before they are sent alongside the ship.

Lucifer Matches and Ammunition.

8. *Lucifer matches and fuses are prohibited.* Any ammunition (public or private) brought on board is to be delivered into the charge of the naval officer of the watch, on the quarter-deck, who is ordered to receive the same for safe custody;—none being allowed in the cabins or amongst the baggage.

Dogs.

9. One dog is allowed for every 200 men, but the total number is not to exceed 4. They are to be strictly confined to the waist, and on no account are they to be taken into the saloons or cabins. Applications from officers to embark dogs are to be made, if at home, to the quartermaster general, or, if in India, to the quartermaster general at Bombay, and no dog is to be taken on board without permission.

Liquors not to be brought on Board.

10. Wine, spirits, &c. are not to be taken on board by officers, soldiers, or their families, without the written approval of the captain of the ship; and officers proceeding in command of troops will, as far as practicable, see that this regulation is enforced. If permission be granted, the liquors are to be stowed in the spirit room until the troops disembark.

Cl. 151.—Royal Warrant—Queen's Cadets and Honorary Queen's Cadets.

VICTORIA R.

Whereas we have been pleased to take into consideration, in consequence of the change of system by which entrance to the commissioned ranks of our Army is effected, the future advantages and emoluments to be enjoyed by Queen's cadets ;

Our will and pleasure is that this our present Warrant be the sole and standing authority on the matters herein contained.

I. QUEEN'S CADETS.

1. Queen's cadets shall be granted an educational allowance of 40*l.* a-year tenable between the ages of 13 and 17; and when gazetted to sub lieutenancies, an allowance of 50*l.* in aid of their outfit, and a further allowance of 50*l.* on being commissioned as lieutenants.

2. Queen's cadets who may obtain admission to the Royal Military Academy, shall not be entitled to the outfit allowance on being commissioned, as they will have had the advantage of a free course of education at that institution.

3. Candidates, who on account of their age are unable to receive the educational allowance granted by Article 1, though eligible in other respects to be nominated to and examined for Queen's cadetships shall, when commissioned, be granted the outfit allowance specified in Article 1.

4. Queen's cadets nominated before the date of this our Warrant, who have not enjoyed the advantage of a course of free education at the Royal Military College, shall receive retrospectively the advantages attaching to the allowance for outfit; but such Queen's cadets as have been allowed to draw the educational allowance up to the age of 18 shall receive the outfit allowance less any sums that may have been granted to them for their education after the age of 17.

ARMY CIRCULARS—continued.

II. HONORARY QUEEN'S CADETS.

5. The sons of officers in our Army, Navy, or Royal Marines, who were killed in action, or who had died of wounds received in action within six months of such wounds having been received, or from illness brought on by fatigue, privation, or exposure incident to active operations in the field before an enemy, within six months after their having been first certified to be ill, shall be entitled to be nominated "Honorary Queen's Cadets."

6. An honorary Queen's cadetship shall not carry with it any pecuniary advantage, and no declaration as to the circumstances of the deceased officer's family shall be required; but in all other respects they shall enjoy the privileges attaching to Queen's cadetships.

Given at our Court at Balmoral, this 27th day of November, 1873, in the 37th year of our reign.

By Her Majesty's command,

EDWARD CARDWELL.

OL. 152.—Recruiting Service.

With reference to Article 18 of the Royal Warrant of the 20th September, 1873 (Clause 126, Army Circulars, 1873), it is notified that W. O. Circular 43, 9th February, 1875, relative to the grant of a commuted daily allowance in aid of the supply of bread and meat to non-commissioned officers and privates employed on the recruiting service, is cancelled.

CONTROL SERVICES.

OL. 153.—Washing Accounts of Control Stores.

The following Regulations, in regard to the mode of accounting for stores sent by the Control Department to Government laundries or to contractors, for the purpose of being washed, will be strictly observed from the 1st January, 1874, at home, and from the 1st April, 1874, abroad:—

Washing Account Book.

1. The "Washing Account Books" at present in use will be closed on the 31st December, 1873, at home, and on the 31st March, 1874, abroad, and the balance of articles remaining due on the 1st January, 1874 and 1st April, 1874, respectively, will be entered in a revised "Washing Account Book" (reprint of W. O. B. 174), and all future transactions will be recorded and vouched for as is hereinafter directed.

Stores sent to a Contractor for the purpose of being Washed.

2. The articles required to be washed will be correctly entered in the "Washing Account Book," and care will be taken to obtain the signature of the contractor, or such other person as he may depute to fetch the articles, in the column set apart for that purpose.

Stores sent to a Government Laundry.

3. At stations where a Government laundry is employed, the articles while in transit from the Control Office to the laundry will be placed, if possible, in the charge of a conductor from the Control Department, who will be required to sign for the articles in the column of the "Washing Account Book" set apart for that purpose, in the same manner as is prescribed in the preceding paragraph.

4. The conductor will then be furnished with cheques taken from W. O. B. 200 and 200 a, made out in duplicate, and these cheques should agree with the entry in the "Washing Account Book." One will be signed by the "Expense Store Officer" as a delivery voucher, the other will be signed by the superintendent of the laundry, and returned to the "Expense Store Officer" as the voucher that the stores issued have been duly received.

5. In the event, however, of its being found inconvenient to appoint a conductor to take charge of the articles requiring to be washed, care will be taken to hand to the non-commissioned officer of the Army Service Corps, who may be charged with the delivery of the stores at the laundry, correct convey notes (W. O. Form 1091), together

with the cheques specified in the preceding paragraph. The non-commissioned officer will hand these cheques to the superintendent of the laundry, whose duty it will be to satisfy himself at once as to the correctness of the number of articles received by him, and, having signed the cheque acknowledging the receipt of the articles, to return it by post to the "Expense Store Officer."

6. At the end of each month the "Washing Account Book" will be balanced, and the "Expense Store Officer" will initial the account in proof that he has satisfied himself that the balance is correct.

Laundries.

7. The superintendent or other person in charge of the laundry, when returning the articles to the "Expense Store Officer," will take care that the regulations laid down in the foregoing paragraphs, with regard to the care of the stores while in transit, and to the preparation and signature of the necessary vouchers and receipts, are carefully adhered to.

Clearing Stores from Laundries and from Contractors for Washing.

8. On the 30th September and 31st March in each year, district controllers will cause all stores to be withdrawn from laundries and from contractors for washing, and they will report that this regulation has been complied with.

9. The stock in the hands of a contractor or at a Government laundry, will be verified once in every six months by the "Expense Store Officer."

10. The War Office Form 706, referred to in paragraph 15, Clause 54, Army Circulars, 1871, has been cancelled, and the W. O. Book 174, referred to in the foregoing regulations, will be substituted in lieu of it.

Cl. 154.—Proportions of Ordnance for Garrison Service.

1. The scale of ammunition for 10, 9, and 7-inch M. L. R. guns in fortresses at home, as laid down at page 23 of Part I., Corps Equipment, issued with the Special Army Circular of 2nd January last (Clause 11, Army Circulars, 1873), will be altered as follows:—

| | | | | |
|---|---|---|-----|-----|
| 10-in. M. L. rifled guns, 150 rounds per gun. | | | | |
| 9 | " | " | 150 | " " |
| 7 | " | " | 150 | " " |

2. Demands are to be put forward upon the local controllers for the increased proportion of ammunition which will be supplied as soon as the service will permit. No increase will be made in the number of zinc cartridge cylinders supplied.

ARMY MEDICAL DEPARTMENT.**Cl. 155.—Duties in connection with Hospitals.**

The following will be substituted for paragraphs 23 and 26, Clause 44, Army Circulars, 1873.

23. The monthly abstract of diets and extras (W. O. Form 175), and the monthly statement of provisions, &c., received, expended, and remaining (W. O. Form 184) will be sent at the end of each month to the control officer or his representative at the station, who will ascertain the correctness of the computation of both forms, and see that they are duly certified and agree as regards expenditure. The diet sheets (W. O. Form 1145) and extra sheets (W. O. Form 1200) will, at the end of each month, be sent by the medical officer in charge direct to the principal medical officer of the district.

26. The principal medical officer will supervise the nature and quantities of diets and extras, detailed by W. O. Forms 1145 and 1200, as suited to individual cases. It will be his duty to call for explanation of any seeming excess of issue, to check irregularities, or any apparent waste or extravagance, and to report the same, with his opinion thereon, to the Director General, Army Medical Department, for such action as may be necessary.

ARMY CIRCULARS—continued.

ARMY SCHOOLS.**CL. 156.**

The children of the permanent staff of Auxiliary Forces will for the future enjoy the privilege granted to children of the Militia staff by § 37, Clause 163, Army Circulars, 1871, of being admitted gratuitously to Army schools.

SUPERANNUATION ACT AMENDMENT ACT, 1873.**CL. 157.**

Claims under the Superannuation Act Amendment Act, 1873, directed by Clause 109, Army Circulars, 1873, to be sent to the War Office, will not be considered, unless received on or before the 10th of the present month.

WAR OFFICE FORMS.**CL. 158.**

1. A new W. O. Form (W. O. Form 112) "Pay List of Special Allowance on account of Extra Costs of Provisions," has been approved. This form is applicable only to the following stations: the Cape of Good Hope, Natal, West Coast of Africa, St. Helena, Jamaica, Western Australia, and Honduras.

2. W. O. Form 246, "Report of Prisoners' Progress at School," W. O. Form 673, "Prisons' School Report," and W. O. Book 18, "Prisons' School Register," have been cancelled.

3. W. O. Form 545, "Size Roll for Single Suits of Clothing, or for Suits required of Individual Measurement," has been cancelled.

4. W. O. Forms 466 and 467, "Last Pay Certificate," have been consolidated into one Form, W. O. Form 466.

5. W. O. Form 302, "Monthly Return of Casualties, Army Hospital Corps," has been cancelled.

(Specially issued, 14th November, 1873.)

Until further orders, officers commanding brigade depôts, and the inspecting field officers of the London and Dublin recruiting districts may, upon their own responsibility, pass recruits for Infantry brigades who may be half-an-inch below the regulated height, without applying to the Adjutant General for special authority, provided the men are otherwise eligible (especially as regards full chest measurement), and not above 21 years of age.

G.O. 80.—Promotions, &c.

The following regulations are to be substituted for those contained in G. O. 89, of 1871, and 4 and 72 of 1872:—

138. Parliament having provided at the public expense for the compensation of officers on the abolition of purchase, the following declarations will in future be required, and any breach of them will be regarded as a violation of personal honour, while the stringent provisions of the statute (49 Geo. 3, c. 126) will in every such case be rigidly enforced.

DECLARATION TO BE MADE

A. On Promotion, on Transfer, or on Restoration from Half to Full Pay.

"I hereby declare, upon my honour as an officer and a gentleman, that I have not, nor to the best of my belief has any person on my behalf or in my interest directly or indirectly paid or transferred or agreed to pay or transfer any sum of money, valuable security, or other thing in respect of [my promotion to the rank of] [or my transfer] or [my restoration from half to full pay], and I promise honourably and unreservedly not to make, cause to be made, or in any manner recognize hereafter, any such payment [or transfer] in respect of such [promotion] [restoration] or [transfer to full pay]."

GEN. ORDERS—continued.

DECLARATION TO BE MADE

B. On applying to Exchange.

"I hereby declare, on my honour as an officer and a gentleman, that the proposed exchange with _____ does not originate in any cause affecting my honour or my character or professional efficiency; that it is my *bona fide* intention to join immediately and do duty in the corps to which I propose to exchange; and that I propose to [pay] or [receive] the sum of £ _____ in consideration of the fair and reasonable expenses to be incurred through such exchange by _____ or [me], as shown in the paper hereto annexed; and I further declare that I have not, nor to the best of my belief has any person on my behalf or in my interest, directly or indirectly [paid, transferred] or [received], or agreed to [pay or transfer] or [receive] any sum of money, valuable security, or other thing in respect of this exchange, excepting the sum of £ _____ before mentioned; and I promise honourably and unreservedly not to [make] or [receive], cause to be [made] or [received], or in any manner recognize hereafter any such [payment], or [receipt, or transfer], on account of such exchange."

DECLARATION TO BE MADE

C. On applying to Retire, or on Appointment to the Indian Staff Corps.

"I hereby declare, upon my honour as an officer and a gentleman, that I have not, nor to the best of my belief has any person on my behalf or in my interest, directly or indirectly received or agreed to receive any sum of money, valuable security, or other thing in respect of [my retirement from the _____ regiment of _____] or [my appointment to the Indian Staff Corps], and I promise honourably and unreservedly that I will not receive the same or in any manner recognize or benefit by its receipt hereafter. In this declaration I do not refer to the sum which may be awarded to me by the Army Purchase Commissioners."

The above declaration must be drawn up in the officer's own handwriting, and must be read over in the presence of the officer commanding the regiment, who will attach his certificate as witness to the declaration in the following manner, viz. :—

Read over in my presence and signed before me, this _____ day of _____ 187 _____.
Signature of commanding officer—

The declaration must also be subscribed by a second witness who may be either an officer of standing in the service or a civilian being a householder.

When the officer making the declaration is a commanding officer, his signature must be witnessed by an officer not under the rank of a field officer, and by a second witness who may be either an officer of standing in the service, or a civilian being a householder.

When an officer is on leave of absence or away from his regiment, the declaration may be made before any general or other officer not under the rank of field officer in command of a district, garrison, or body of troops, or on the general staff of the Army.

When an officer is resident in a foreign country, or in a colony where no British military authority is accessible, the declaration may be made before a British consul or magistrate.

When an officer through illness is unable to travel to a military station, the declaration may be made before a justice of the peace, but must be accompanied by a medical certificate of the officer's inability to travel.

It is incumbent on every officer to prepare his declaration in conformity with these regulations, as delay will occur in giving effect to his application if these rules are not adhered to in each particular.

G.O. 81.—Musketry.

I. With reference to paragraphs 4 and 9, pages 126 and 138 of the "Rifle Exercises and Musketry Instruction, 1870," it is notified that during the annual course, or when there are recruits to train, the musketry instructor is not to be placed on any duty without the sanction of the general officer, and this sanction will only be granted in cases of emergency.

II. The musketry instructor may be granted the usual winter leave of two months and a half when the annual course has terminated; but when the course is suspended in the summer by order of the general for continuous battalion, brigade, or divisional drills, or when the musketry instructor is present with his regiment during the winter, he will perform any duty for which he may be detailed.

GEN. ORDERS—continued.

G.O. 82.—Musketry.

No. 353 private S. Whitby, 105th Foot, who is the best shot of the Army for the year 1872-3, has been awarded the prize of 20*l* and the silver medal.

G.O. 83.—Deserters.

The description of deserters on W.O. Form 88, is to contain the particulars as to height, age, &c., of the soldier at the time of his desertion, and not when he enlisted.

G.O. 84.—Soldiers travelling by Railway.

Instances having occurred of soldiers travelling by mail or express trains when proceeding on duty, commanding and other officers are to take care (in reference to paragraph 1116 of Queen's Regulations), that, in future, soldiers travel only by ordinary trains unless special orders to the contrary are given.

G.O. 85.—Returns.

In consequence of numerous inaccuracies which have appeared in the monthly returns rendered to the Adjutant General by brigade depôts (W. O. Form, 719), the Field Marshal Commanding in Chief finds it necessary to call attention to paragraphs 1487 and 1489 of "Her Majesty's Regulations and Orders for the Army," as amended by G. O. 93 of 1871, and to the following additional instructions:—

1. Whenever soldiers are sent from the head quarters of a regiment to its sub district on the recruiting service, or for any other duty, they are to be discontinued on the returns and strength of the regiment, and taken upon those of the brigade depôt, and accounted for in the columns headed "From Service Companies," from the date of the authority for their proceeding on the particular duty. In like manner all men sent from a sub district or brigade depôt to a regiment, are to be discontinued on the returns of the former, and taken on those of the latter.

2. Those recruits only who have "joined the brigade depôt" are to be accounted for in the table of increase and decrease, and not those raised in the sub district for other corps.

3. The detailed explanation under the heading "explanation of recruits joined, discharges, transfers, &c.," should agree with the numbers given in the corresponding columns in the table of increase and decrease.

4. All men who are taken on the strength as "recruits joined," as "transfers received," or as "volunteers" from other corps, have brigade numbers, and are therefore to be shown as belonging to the "brigade," and not to either of the linked battalions.

5. The number of non-commissioned officers and men at the brigade depôt should correspond in each of the following tables, viz.:—

- I. Regular forces at the brigade depôt.
- II. Increase and decrease of the brigade depôt.
- III. Services of the non-commissioned officers and men.
- IV. Distribution of the regular forces.

6. The staff officers of pensioners employed in the sub district, as well as the staff of the Militia and Volunteer Corps are to be returned under the head of "Staff of Reserve and Auxiliary Forces."

By command,

RICHARD AIREY, *Adj. Gen.*

FOREIGN ORDERS.

The attention of Officers is drawn to the following REGULATIONS which are those now in force respecting FOREIGN ORDERS and are to be strictly adhered to.

1. No subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

40069

17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast*.

REGULATIONS RESPECTING FOREIGN MEDALS.

148

533 & 610

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.
